Demeter Agriculture Ltd. d.b.a. Demeter Seed

Demeter Seed Prize Giving – Lilongwe 4 July 2018

Elite Demeter Agro Outlets 2018

Press Release

Demeter Seed is a Malawian seed company producing seed in Malawi for Malawi. Applying international accepted quality standards and technology the company offers a wide range of well adapted seed products of maize, legumes and vegetables to farmers in Malawi.

The Demeter seed is distributed throughout Malawi and stocked with agro-outlets of Farmers World and AGORA as well as with a network of over 500 local agro-dealers. These agro-outlets are serviced by a team of 12 Demeter seed specialists providing these outlets with product and technical information called for by the local farming community.

Out of this large team of Demeter seed distribution partners the company is awarding 6 prizes to Elite Agro Outlets. To qualify these outlets have to excel in terms of product handling and customer service. In so doing they are assisting with the efficient flow of Demeter product and information to the farmers of Malawi and thus contributing to more efficient national food production. And the winners of each MK250,000 are:

- Mc Ephron Kawonga of Chitipa
- Kingford Mwanganda of Mzimba
- Vanesio Kamefu of Dedza
- Humfrey Banda of Kasungu
- Rosemly Amin of Mangochi
- MacMillan Bhima of Nsanje

Demeter Seed was established in 2004 and has since grown out to one of the leading seed suppliers in Malawi. The seed is produced on the Demeter farms as well as with selected out-growers thereby enabling the highest industry standard

to be achieved. All seed produced is government certified. Seed is processed, treated, packed and stored at the facility in Lilongwe before being distributed through an extensive network of outlets nationwide.

For coming season Demeter Seed is well placed to again provide a substantial part of the seed needs of the nation. All information on products and the company is available on our website www.demeterseed.mw.
